

SPEC SHEET

Speedee Serv® Speedline Cashier Stand

Specifications

Top is 16 gauge 304 stainless steel #4 finish. Front and back edges are turned down 102° and turned back 90° eliminating the gap between the top and the base of the cabinet. The ends are turned down 90° flush with cabinet base, this eliminates any open space between G.A. Systems cabinets. The top is secured to the base with 4 stainless steel flush head screws. One 3/4" diameter pin is welded at one end of the top. The pin has two 5/16" diameter holes. The lower hole is used to join adjacent G.A. Systems cabinets.

Body of cabinet is fabricated of 1" square 18 gauge stainless steel and cold rolled tubing to form the top and bottom frames. Each is welded to 1-1/2" square 18 gauge stainless steel corner posts. Each corner post is capped. All joints are welded with all exposed welds being ground and polished. 20 gauge galvanized body panels are welded to tubing super structure.

Exterior front, back and one end are trimmed with 22 gauge stainless steel #4 finish trim to accept laminated color panels. Laminate is applied to 1/8" board for additional strength.

Spring loaded locking cash drawer with 4 bill 4 coin money tray insert with drawer bell mounted flush at one end.

Under storage area is fabricated of 18 gauge 304 stainless steel #4 and can be used to store dry good and can be used as a foot rest.

Bottom is fully enclosed. There is a 3-3/4" clearance from the bottom of the cabinet to the floor. Plate type 3" swivel non-marking casters with brakes. Cabinet heights are ADA compliant.

PROJECT: _____

ITEM #: _____

MODEL: _____

Standard Features

- Locking pin, 1
- 1-3/4" grommet on top and bottom shelf
- Cash Drawer
- Plate type 3" swivel non-marking casters with brakes

Options

- Without Cash Drawer
- No Pin
- No Grommet
- With Shelf (in lieu of cash drawer)
- Solid Surface Top (in lieu of stainless steel top)

Accessories

- Tray Slide Stainless Steel
- Tray Slide Solid Surface
- Condiment Insert / Co139
- Toe Kicks
- Overshelf (stainless steel) / Co291
- Counter Display Rack / Co392
- Premium High Pressure Laminate
- Graphic Panels Stand-offs
- Graphic Vinyl Decals

Condiment Top Insert
Holds 4 - 1/3 Size Pan

Intertek
4003279

Conforms to NSF Std. #2
